**Orders taken at our Sales Room on Sunday. No stock dug on Sunday.**

**ORDERS.** Write plainly and give explicit directions as to address and mode of shipment, whether by freight, express, etc.

**Orders are accepted and all shipments made subject to delays or inability to ship or deliver** by reason or on account of strikes, accidents, droughts, fire, floods, frost, hail, sleet, war conditions and orders, railroad or express embargoes, priority or other transportation orders, prior sale of stock, stock shortage, labor or car shortage, or any other cause or causes for delay in shipment or delivery of goods which are beyond our control.

**Due to general conditions of weather, possible labor shortage and other** contingencies, during the digging and shipping season, we do not guarantee to fill all items of an order or orders placed with us in one or first shipment.

**Due to current lumber shortage** we may not be able to ship items that would require boxing.

**GUARANTEE AND CLAIMS.** In growing and furnishing all Nursery stock, we exercise the utmost diligence and care to have it true to name and will, on proper proof, within one year from date to our satisfaction, replace in ordered sizes any that will prove otherwise or refund the amount paid. Any and all sales made by us do not include any warranty expressed, or implied, as to quality, description, productiveness, growth, or any other matter or qualifications pertaining to the Nursery stock sold.

It is mutually agreed and understood between the Purchaser and Ourselves, that in any case we shall not be liable for a sum greater than the amount originally paid us for any tree or plants, etc., that prove untrue.

**IN MAKING ALL SHIPMENTS WE CAREFULLY CONSIDER CONDITIONS IN GENERAL AND ACT ACCORDINGLY. ALL SHIPMENTS AT PURCHASER'S RISK.**

**In absence of specific instructions,** we are to route all shipments according to our best judgment without assuming responsibility.

**If destination is a Prepaid Station,** freight charges will be prepaid by us and charged for on invoice.

**Claims for Errors or Shortages** must be filed with us within Ten (10) days after receipt of goods. No claims for errors or shortage in excess of purchase price will be considered. Claims for damage to stock en route by Railroad or Express Company shall be immediately reported and entered with your local agent of transportation company.

**Remittances with order will be considered payment on account**, inasmuch as chargeable packing charges, or prepaid express or freight, or cost of trucking cannot be ascertained until goods are packed, shipped or delivered, as the case may be.

**All Accounts, 30 days net cash.**

**2 % Discount allowed on accounts** if paid within 10 days from date of shipment.

**3 % Discount allowed** if remittance accompanies order.

Where remittance accompanies order same should cover total amount computed at list prices of goods ordered without deducting discount.

Such remittances will be considered payment on account, **subject to cash discount**. Our invoices will show entire transaction showing price of plants, packing charges, prepaid express or freight, or delivery charges, **also discount for cash with order will be applied on invoice** as soon as goods are shipped, or delivered, as the case may be.

The condition may arise where the entire amount of all invoices for stock shipped will be less than the amount, or amounts remitted, in which case the **unearned portion of remittances will be refunded as soon as the shipping season is over and our books and accounts have been properly audited, if not before.**

**Payments for partial shipments** shall be due on basis of Invoice dating.

**Accounts after due dates** are subject to sight draft, also interest charge at rate of 6% per annum.

**Cash or satisfactory references with order, if purchaser has no credit established with us.**
